THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

Yesterday afternoon Detectives Raff and Block arrested Mary Rober, a colored servant, on the charge of grand larceny of \$162 from Mrs. Jane Boyd, and recovered the amount stolen.

A burglar effected an entrance to the residence of J. P. Woodfield, No. 628 B street southeast, on Sunday and had gathered a large pile of valuables to carry away when he was frightened off.

The Raper memorial, which was to have taken place last Wednesday, will be held at Fifteenth street Presbyterian church this evening under the auspices of the Alabama State association.

A permit has been taken out by Mr. Edward Temple to erect two three-story and collar stores on Ninth street, on the west side, between D and E streets, adjoining the new Beveridge stores. These are to be 50 by 107 feet, and 44 feet high each, with pressed brick fronts, brick and iron cornices, vault under sidewalk, and will cost \$17,000.

A lad, the son of an employee of the Interior department, fell into the basin of one of the fountains in the court of the patent office yesterday forenoon, and was discovered and rescued just in time to save him from drowning.

The detectives have gained no clew of any importance to the Prud'homme robbery, but continue to work on the little points which they have picked up. There is but little doubt that the thieves and the property are safely out of the city.

During the rainstorm yesterday afternoon a gentleman named William O'Neil fell while hurrying through the President's park and injured the back of his head. He was removed to the neighboring drug store and medical assistance rendered.

Andrew Jackson, a runner for police court lawyers, was arrested yesterday morning on two charges of larceny, viz, retaining \$2 and \$3 which had been given him to pay a fine into the court. He was locked up in default of \$25 fine. An appeal was noted.

Yesterday morning as a colored porter, with a wheelbarrow laden with household utensils, was crossing Sixth street, on the south side of Pennsylvania avenue, his vehicle was struck by a pushcart containing a trunk. The pushcart was uninjured, but the crockery was badly wrecked.

Alice Boone, colored, fell into an excavation for sewer pipes at Seventh and B streets northeast Monday night and was badly injured. The excavation was unprotected, and there was no light where the woman fell. The opening in the street was four feet deep, and her escape from fatal injuries is surprising.

The alarm about 3 o'clock yesterday morning from box 43 was for the burning of a stable and two sheds between Third and Fourth-and-a-half and K and L streets southwest. They were all frame. The stable was owned by Joseph Yarbey, and the sheds by O. W. Bland and Richard Callahan; damage to all about \$300. Cause of fire unknown.

Bessie Hall, the little daughter of Mr. Alfred Hall, of 1111 H street northwest, while playing on Rock creek, in the neighborhood of Lyons's mill, with a number of her friends and playmates, slipped and fell over an embankment upon some jagged rocks, sustaining several severe and ugly wounds on her forehead and face about her right eye. She was brought home in a carriage by Mr. Lyons, the proprietor of the mill, and attended by Dr. Acker.

MANY a poor sufferer who submits to the surgeon's knife because of malignant sores and scrofulous swellings, might be saved, and that whole by taking Ayer's Sarsaparilla. This will purge out the impurities which pollute the blood, and by which such complaints are originated and fed.

Hofer, treasurer; Prof. E. T. Frisford, D. D., L. L. Koppick, E. C. Stott, H. Standford, and F. Pitzer, executive committee.

The Columbus crew will be Nute, stroke; Kintner, 3; Wade, 2; and Woodward, bow. The Potomac crew will be represented by Frank, stroke; Baker, 3; Ryan, 2; and McKinney, bow. There will also be crews in the contest from Portsmouth, Richmond, and Lynchburg. On Tuesday a large delegation of Columbus and Potomac will leave for the scene of strife on a special train. They will be accompanied by many of their friends and correspondents of the daily papers. It is a pretty sure thing that the Columbus will win the race, and it is conceded that McKinney will win the single scull contest.

Staff of Gen. Lee.

The late Purveyor General, C. S. A., Gen. E. Warren, wrote officially: "Dr. Worthington's Cholera and Diarrhoea Medicine has long enjoyed a high reputation both in and out of the army." Price 25 cents.

The Trotting Races Next Week.

The driving club have every assurance that Mr. Vanderbilt will send Maud S. and Aldine down next week to trot against time. There will be large delegation of northern trotting men present during the meeting. There will be over seventy horses at the track, embracing a great number of the famous cracks. Betting has already commenced upon the great race for all race on July 4, Jay-Eye-See being the favorite at \$150 to \$125 for Phil Thompson, \$80 for Bronze, and \$65 each for Butterly and Lucy Gormet. Pools will be sold on the track each day, and the full marine band will give a grand concert daily.

SICK and bilious headache, and all derangements of stomach and bowels, cured by Dr. Pierce's "Bilets" or "Bile-Building Granules," 25 cents a vial. No cheap boxes to allow waste of virtues. By druggists.

The Horse Railways and Lame Horses.

Judge Snell in filing a driver of the Belt Line Railway company yesterday, for driving a lame horse, said, in reference to the horse railway companies: "These corporations are able to attach able bodied horses to their cars. A lame horse is a nuisance, and the public should not be compelled to witness such sights. I will impose a nominal fine of \$5 on the defendant, which is virtually fining the company, to give warning that the courts will not tolerate lame horses on the streets." The complaint against the driver was made by Mrs. A. L. Barbour, vice-president of the Humane society.
